DESIGNATION OF RECORD AND ISSUES ON TO BE PRESENTED

Comes now LaDonna Humphrey acting for herself and provides the following designation of record and issues to be presented on appeal.

The records should include the Motion for Approval of Sale Pursuant to 11 U.S.C. 363 and Notice of Opportunity to Object and Overbid filed by Trustee on December 4, 2019.

The Response filed by Stanley bond on behalf of Humphrey on 12/25/20¹⁹,₂₀

Transcript of the hearing held before Judge Ben Barry on February 12, 2020

The order approving the sale field on February 14, 2020

The issues to be presented are as follows:

Defensive appellate rights are not property of the Estate

Even if the Defensive appellate rights are property of the estate, the Trustee failed to properly determine whether the sale was in the best interest of the estate.

The Purchaser withheld information relating to the counterclaim that was purchased and failed to notify the trustee that Anthony Christopher was charged with Medicaid fraud and there was a warrant issued for his arrest on February 5, 2020 which would have changed the discussion on the value of the counterclaim for damages caused to a whistle blower.
